## **Superman**

Out the door just in time Head down the 405 Gotta meet the new boss by 8 a.m. The phone rings in the car The wife is workin' hard She's running late tonight again Well I know what I've been told, You got to work to feed the soul But I can't do this all on my own No, I know, I'm no Superman I'm no Superman You've got your love online You think you're doing fine But you're just plugged into the wall And that deck of tarot cards Won't get you very far There ain't no hand to break your fall Well I know what I've been told You gotta know just when to fold But I can't do this all on my own No, I know, I'm no Superman I'm no Superman That's right You've crossed the finish line Won the race but lost your mind Was it worth it after all I need you here with me Cause love is all we need Just take a hold of the hand that breaks the fall Well I know what I've been told Gotta break free to break the mold But I can't do this all on my own No I can't do this all on my own I know that I'm no Superman I'm no Superman I'm no Superman Someday we'll be together I'm no Superman Someday Someday we'll be together Someday I'm no Superman
