

Freak Out/Starry Eyes

LCD Soundsystem

(5x)

If we do it again, I'm gonna freak out
If we do it again, I'm gonna freak out
If we do it again, I'm gonna freak out
If we do it again, I'm gonna freak out

So do it again
Do it again
Do it again
Do it again

Starry eyes, doo doo
Starry eyes, doo doo

Late night, miss the train
Waiting in the rain
All night on the floor
And my fearosaur

Fool's out on the make
School's out and it's late
It's you I'm waiting for
Want to see you more, see you more

Starry eyes, doo doo
Starry eyes, doo doo
Starry eyes, doo doo
Starry eyes, doo doo

Fool's out on the make
School's out and it's late
it's you I'm waiting for
Want to see you more, see you more

Uh huh
Uh huh

Starry eyes, doo doo
Starry eyes, doo doo

Bright lights in my eyes
Got me hypnotised
Late night on the floor
Wanting so much more, so much more

Starry eyes, doo doo
Starry eyes, doo doo
Starry eyes, doo doo
Starry eyes, doo doo
Starry eyes, doo doo
