

Give It Up

LCD Soundsystem

Money

Make you feel real good

I always take it more than I know I should

You never give it away for free

You're always stealing a little love from me

But you got to give it up

If you want to live it up

You got to give it up

If you want to live it up

Money

Make you feel real good

You're always taking more than you know you should

You always take it take it take it etc...

Give it up

If you want to live it up

You got to give it up

If you want to live it up

You got to give it up

If you want to live it up

You got to give it up

If you want to live it up

These are the parts of a terrible past

And these are the things we can live without (8x)

You got to give it up

If you want to live it up (6x)

These are the parts of a terrible past

And these are the things we can live without (6x)
