

After Dark

Le Tigre

I got your name and number, you seem kinda surprised.
Maybe it's 'cause I can be, you know, like cold as ice.
In crowded situations I always want to go.
And if I see you leaving, I beat you to the door.
I'm gonna tell you something, you're better than fake-wild.
I see the future.
In it, they try to kill your style, your manner, and your motives.
I've seen the way it goes.
So memorize my number, that's why I got a phone.
Call me after dark.
Call me, call me after dark.

I can make the sun rise daily right up from your landscape painting.
I will be in the front row later when your brush becomes a mic.
Maybe we could change this game forever.
Shapes our breath makes in cold weather.
They might say we're both crazy...I'm just glad I found you, baby.
Call me after dark.
Call me, call me after dark.

I don't want someone telling me no-oh-oh, "you're out of time"
I don't mind being debated as long as you're with me tonight.
I'm not gonna give up easy, we were made to cross the line.
I don't want the things that we do...I don't want to let them die.
Call me after dark.
Call me, call me after dark.

I'm not gonna give up easy, we were made to cross the line.
I don't want the things that we do...I don't want to let them die.
Call me after dark.
Call me, call me after dark.
Call me after dark.
Call me, call me after dark.
Call me after dark.
Call me, call me after dark..
