

Ten short years of progressive change  
Fifty fucking years of calling us names

Can we trade title nine for an end to hate crime  
Are you-486 if we suck your fuckin dick  
One step forward, five steps back

One cool record in the year of rock-rap  
Yeah we got all the power getting stabbed in the shower  
And we got equal rights on ladies night

Feminists we're calling you  
Please report to the front desk  
Let's name this phenomenon  
It's too dumb to bring us down

F.y.r. fifty years of ridicule  
F.y.r. take another picture

F.y.r. fifty years of ridicule  
F.y.r. take another picture

Mrs. Doubtfire on mother's day  
On-the-job stalker for equal pay  
Toss us a few new aids drugs  
As national health care bites the dust

While you were on vacation  
Black people didn't get reparations  
You know these days no one's exploited  
Sorry dude can't hear you with my head in the toilet

Feminists we're calling you

You've really come a long way baby  
It's you, not the world, that's totally crazy  
'cause we rocked the fuckin' vote  
With election fraud in poor zip codes

Celebrate gay marriage in Vermont  
By enforcing those old sodomy laws  
One step forward five steps back  
We tell the truth they turn up the laugh track
