

My My Metrocard

Le Tigre

Off the pillow and into the air
I'm ready cause it's my day
Situation: it's all possible
Everything is going my way

My My Metrocard
My My Metrocard
My My Metrocard
Think I'll go a little but then I go far

Oh fuck
Giuliani
He's such
A fucking jerk
Shut down
All the stripbars
Workfare
Does not work

My My Metrocard
My My Metrocard
My My Metrocard

Think I'll go a little but then I go far
