

## My My Metrocard

Le Tigre

Off the pillow and into the air  
I'm ready cause it's my day  
Situation: it's all possible  
Everything is going my way

My My Metrocard  
Think I'll go a little but then I go far

Oh fuck

He's such  
A fucking jerk  
Shut down  
All the stripbars  
Workfare  
Does not work
