

On My Way

Lea Michele

On my own,
Pretending he's besides me
All alone
I walk with him 'till morning
Without him, I feel his arms around me
And when I lose my way, I close my eyes and he has found me

In the rain
The pavement shines like silver
All the lights are misty like a river
In the darkness, the trees are full of starlight
And all I see is him and me forever and forever

And I know it's only on my mind
That I'm talking to myself and not him
And although I know he is blind
Still I say there's a way for us

I love him
But when the night is over
He is gone
The river's just a river
Without him, the world around me changes
The trees are bare and everywhere the streets are full of strangers

I love him
But everyday I'm lonely
All my life I've only been pretending
Without me his world will go on turning
The world is full of happiness I've never known

I love him
I love him
I love him...
But only on my own...
