

# You're Mine

Lea Michele

It's so powerful, and little girl, why I wanted you  
So I told you so, wanted you to know  
We've just one life to live

And I told you all my dreams and fear  
And you looked at me and your eyes filled with tears  
And you said those three words, I've been waiting for  
You became a part of me

You're mine, for life  
And I'll be by your side  
We are entwined  
You're mine, for life  
Hold me until we go, oh yes, and you will love

I'm yours, you're mine  
I'm yours, you're mine

I'm so happy you found the place for me, where you wanted me  
Somes insecurities, and two happy beings, where you wanted me  
Then you told me, wanted me to know  
You let the past go

And I told you all my dreams and fear  
And you looked at me and your eyes filled with tears  
And you said those three words, I've been waiting for  
You became a part of me

You're mine, for life  
And I'll be by your side  
We are entwined  
You're mine, for life  
Hold me until we go, oh yes, and you will love

I'm yours, you're mine  
I'm yours, you're mine

I'm yours, you're mine  
I'm yours, you're mine
