Can We Just Stop And Talk Awhile

Lea Salonga

Fancy meeting you alone in the crowd Couldn't help but notice your smile While everybody else around us is going about Can we just stop and talk awhile?

I've been often told our world's growing old And that friends are harder to find Do tell me more about yourself We could share a thought or two Now who would mind?

Maybe then we could go for a ride Drive down to the countryside Get away from the gray And frenzied hurly-burly of the city life

Early yet to say what lies ahead It's the first day of the rest of our lives Can we just stop and talk awhile Get to know each other Who are we to know? Love could be waiting at the end 'Round that bend and so Let's stop and talk awhile

Maybe then we could go for a ride Drive down to the countryside Get away from the gray And frenzied hurly-burly of the city life

Early yet to say what lies ahead It's the first day of the rest of our lives Can we just stop and talk awhile Get to know each other Who are we to know? Love could be waiting at the end 'Round that bend and so Let's stop and talk awhile Let's stop and talk awhile Let's stop and talk awhile Let's stop and talk awhile
