## **Happiness**

## Lea Salonga

You know some kids ask us what happiness really is. Well, to me happiness is a hamburger, going to the movies, new clothes. Well, what's your happiness, Gerard?

My happiness is a hotdog sandwich, new rubber shoes, new tshirts, new jeans and also my favorite part of happiness is LOVE.

Happiness is two kinds of ice cream Finding your skate key, telling the time Happiness is learning to whistle Tying your shoe for the very first time Happiness is playing the drum in your own school band And happiness is walking hand in hand

Happiness is five different crayons Knowing a secret, climbing a tree Happiness is finding a nickel Catching a firefly, setting him free Happiness is being alone every now and then And happiness is coming home again

Happiness is morning and evening

Daytime and nighttime, too

For happiness is anyone and anything at all That's loved by you

Happiness is having a sister

Sharing a sandwich

Getting along Happiness is singing together when day is through And happiness is those who sing with you

Happiness is morning and evening Daytime and nighttime, too For happiness is anyone and anything at all That's loved by you
