## Mama

## Lea Salonga

Mama, I miss the days when you were here beside me Mama, those happy days when you were here to guide me Safe in the flow of your love Sent from the heavens above No one can ever replace The warmth of your tender embrace

Oh, mama Until the days that we're together once more I live in this memory Until the days that we're together once more

Safe in the flow of your love Sent from the heavens above No one can ever replace The warmth of your tender embrace

Oh, mama Until the days that we're together once more I live in this memory Until the days that we're together once more

Oh, mama Once more...
