

# The Gift

Lea Salonga

Winter snow is falling down  
Children laughing all around  
Lights are turning on  
Like a fairy tale come true

Sitting by the fire we made  
You're the answer when I prayed  
I would find someone  
And baby, I found you

All I want is to hold you forever  
All I need is you more everyday  
You saved my heart from being broken apart  
You gave your love away  
And I'm thankful everyday  
For the gift

Watching as you softly sleep  
What I'd give if I could keep  
Just this moment  
If only time stood still

But the colors fade away  
And the years will make us grey  
But, baby, in my arms  
You'll still be beautiful

All I want is to hold you forever  
All I need is you more everyday

You saved my heart from being broken apart

You gave your love away

And I'm thankful everyday

For the gift

All I want is to hold you forever  
All I need is you more everyday

You saved my heart from being broken apart

You gave your love away

Can't find the words to say

And I'm thankful everyday

For the gift
