

Hitler started out in 1932

When he started out, takin' them homes from the Jews  
Thats one thing Mr. Hitler did do wrong  
Thats one thing Mr. Hitler did do wrong  
When he started out drivin' them Jews from their homes  
We're gonna tear Hitler down  
We're gonna tear Hitler down  
We're gonna tear Hitler down today  
We're gonna bring him to the ground  
We're gonna bring him to the ground  
We're gonna bring him to the ground someday  
Instead of God in Heaven (?)  
He gonna rule the world, he said so (?)  
Instead of God in Heaven (?)  
He gonna rule the world (?)  
But we American people tell he will be shot down just  
like a squirrel  
Mr. Hitler, we gonna tear your playhouse down

You been flying mighty high but you on your last go-

We're gonna tear Hitler down  
We're gonna tear Hitler down today  
We're gonna bring him to the ground  
We're gonna bring him to the ground  
We're gonna bring him to the ground someday  
But the American people tell Mr. Hitler is got to stop  
Mr. Hitler he think he's so keen

But the American people know he's the biggest ol' liar

We're gonna bring him to the ground
