

# A Good Hearted Woman

LeAnn Rimes

A long time forgotten the dreams that just fell by the way  
The good life he promised ain't what she's livin' today  
But she never complains of the bad time or the bad things he's  
done  
She just talks about the good times they've had and all the good  
times to come

Yeah she's a good hearted woman in love with a good timin' man  
She loves him in spite of his wicked ways she don't understand  
With teardrops and laughter they pass through this world hand i  
n hand  
She's a good hearted woman lovin' a good timin' man

He likes the bright lights and night life and good time friends  
When the party's all over she'll welcome him back home again  
Lord knows she don't understand him but she does the best that  
she can  
She's a good hearted woman lovin' a good timin' man

I'm a good hearted woman in love with a good timin' man  
And I love him in spite of his wicked ways I never understand  
With teardrops and laughter we pass through this world hand in  
hand  
I'm a good hearted woman lovin' a good timin' man

With teardrops and laughter we pass through this world hand in  
hand  
I'm a good hearted woman lovin' a good timin' man  
I'm just a good hearted woman lovin' a good timin' man
