But I Do Love You

LeAnn Rimes

- I don't like to be alone in the night And I don't like to hear I'm wrong when I'm right And I don't like to have the rain on my shoe But I do love you, but I do love you
- 2. I don't like to see the sky painted gray And I don't like when nothing's going my way And I don't like to be the one with the blues But I do love you, but I do love you
- R: Love everything about the way you're loving me The way you lay your head Upon my shoulder when you sleep And I love to kiss you in the rain I love everything you do, oh I do
- 3. I don't like to turn the radio on Just to find I missed my favorite song And I don't like to be the last with the news But I do love you, but I do love you
- R: Love everything...
- *: And I don't like to be alone in the night And I don't like to hear I'm wrong when I'm right And I don't like to have the rain on my shoes But I do love you but I do love you But I do love you but I do love you
