

Don't Worry

LeAnn Rimes

Don't worry 'bout me, it's all over now
Though I may be blue, I'll manage somehow
Love can't be explained, it can't be controlled
One day it's warm, the next day it's cold.
Sweet, sweet, sweet love I want you to be
As happy as when you loved me
I'll never forget your sweet memory
It's all over now, well don't worry 'bout me
When one heart tells one heart, one heart goodbye
One heart is free and one heart will cry
Oh, oh, oh, oh, oh sweet, sweet baby sweet, baby sweet
It's all right, well don't worry 'bout me.
