

## For The First Time

LeAnn Rimes

Up and down the stairs  
In and out the door  
Walked every inch of the floor  
You think you know a place  
But there locked in an empty room  
Out of the dark comes you

I feel, I feel, I feel a flood of light fall on my face  
I see, I see, I see for the first time  
I hurt, I hurt, I hurt so good inside I swear I could die  
I love, I love, I love for the first time

What is the fallin'  
No - dancin' down my cheek  
Why's it hard for me to speak  
You think you know a heart  
And then it suddenly starts to pound  
It literally knocks you down

I feel, I feel, I feel a flood of light fall on my face  
I see, I see, I see for the first time  
I hurt, I hurt, I hurt so good inside I swear I could die  
I love, I love, I love for the first time\_
