

Good Friend and a Glass of Wine

LeAnn Rimes

Who died and crowned me everybody's everything
I'm even busting my butt through the weekend
By the time I get home there's not an ounce of sanity
Between the dogs, my momma's calls
Is it against the law
For me to get what I need

A good friend and a glass of wine
Someone to say it's gonna be alright
A good friend and a glass of wine
A little pick me up to get me through the night
We talk trash n' we laugh and cry
That kind of therapy money can't buy
Every now and then, every now and then
Every girl needs a good friend and a glass of wine

I don't need to jet off to no vacation for a week
I'd be happy to have a happy hour
When I'm tired and I'm fried it gets me right back on my feet
Any kind of red or white, a little sister time
It's every smart girls secret

A good friend and a glass of wine
Someone to say it's gonna be alright
A good friend and a glass of wine
A little pick me up to get me through the night
We talk trash n' we laugh and cry
That kind of therapy money can't buy
Every now and then, every now and then
Every girl needs a good friend and a glass of wine
