

# Good Friend and a Glass of Wine

LeAnn Rimes

Who died and crowned me everybody's everything  
I'm even busting my butt through the weekend  
By the time I get home there's not an ounce of sanity  
Between the dogs, my momma's calls  
Is it against the law  
For me to get what I need

A good friend and a glass of wine  
Someone to say it's gonna be alright  
A good friend and a glass of wine  
A little pick me up to get me through the night  
We talk trash n' we laugh and cry  
That kind of therapy money can't buy  
Every now and then, every now and then  
Every girl needs a good friend and a glass of wine

I don't need to jet off to no vacation for a week  
I'd be happy to have a happy hour  
When I'm tired and I'm fried it gets me right back on my feet  
Any kind of red or white, a little sister time  
It's every smart girls secret

A good friend and a glass of wine  
Someone to say it's gonna be alright  
A good friend and a glass of wine  
A little pick me up to get me through the night  
We talk trash n' we laugh and cry  
That kind of therapy money can't buy  
Every now and then, every now and then  
Every girl needs a good friend and a glass of wine
