

# Headphones

LeAnn Rimes

I love to sit and watch you work the room  
you could have anyone you want to  
but I know you know your going home with me  
just when I think I've got you figured out  
you spin me faster than the speed of sound  
but I know you know it makes me want you more  
makes me want you more

Boy you're turning me on  
I wanna be the bed that you'll be laying on  
Yeah, I wanna be yours your anything and everything  
I wanna be that song comin through your headphones

Just like the purple ink in your tattoo  
that's how close I want to be to you  
under your skin I'm playing in your head  
playing in your

Am I turning you on  
I wanna be the bed that you'll be laying on  
yeah, I wanna be yours your anything and everything  
I wanna be that song coming through your headphones

I'd let my world revolve around you  
I'd whisper sweet things in your ear  
I've never loved but I'm about to  
can't you feel us going there
