

I Can't Be Myself

LeAnn Rimes

It's a way of mine to say just what I'm thinking
And to do the things I really want to do
And you want to change the part of me I'm proud of
So I can't be myself, when I'm with you

Oh, you never liked the clothes I wear on Sunday
Just because I don't believe the way you do
But I believe the Lord knows I'm unhappy
And I can't be myself when I'm with you

I can't be myself and be what pleases you
Deep down inside I don't believe that you want me to
And it's not my way to take so long deciding
That I can't be myself when I'm with you

I can't be myself and be what pleases you
Deep down inside I don't believe that you want me to
And I believe the Lord knows I'm unhappy
And I can't be myself when I'm with you
And I can't be myself when I'm with you
