

I Will Always Love You

LeAnn Rimes

If I should stay
I would only get in your way
So I'll go
But I know
I'll think of you every step of the way

And I will always love you
I will always love you
My darling, Mmmmmmmmm
Bittersweet memories
That is all I'm taking with me
So goodbye
Please don't cry
For we both know
I'm not what you need
And I will always love you
I will always love you

I hope life treats you kind
And I hope you have all you dreamed of
And I wish you joy and happiness
But above all this I wish you love

And I will always love you
I will always love you
I will always love you
I will always love you
I will always love you
I will always love you
