

On the Side of Angels

LeAnn Rimes

I've never been so certain
I've never been sure
We're on the side of angels
If we believe this love is pure

Is it so hard to trust it
Cause we've been wrong before
There comes a time in every life
We find the heart we're waiting for

After all the might-have-beens
The close and distant calls
After all the try-agains
Don't be afraid to fall
We're on the side of angels after all

Every time you touch me
Don't you feel it too
The gentle hand that's guiding us
You to me, me to you

After all the might-have-beens
The close and distant calls
After all the try-agains
Don't be afraid to fall
We're on the side of angels after all

Heaven only knows
Why this took so long
But only Heaven knows
A love is right or wrong

After all the might-have-beens
The close and distant calls
After all the try-agains
Don't be afraid to fall
We're on the side of angels
On the side of angels
We're on the side of angels, after all
