

## On the Side of Angels

LeAnn Rimes

I've never been so certain  
I've never been sure  
We're on the side of angels  
If we believe this love is pure

Is it so hard to trust it  
Cause we've been wrong before  
There comes a time in every life  
We find the heart we're waiting for

After all the might-have-beens  
The close and distant calls  
After all the try-agains  
Don't be afraid to fall  
We're on the side of angels after all

Every time you touch me  
Don't you feel it too  
The gentle hand that's guiding us  
You to me, me to you

After all the might-have-beens  
The close and distant calls  
After all the try-agains  
Don't be afraid to fall  
We're on the side of angels after all

Heaven only knows  
Why this took so long  
But only Heaven knows  
A love is right or wrong

After all the might-have-beens  
The close and distant calls  
After all the try-agains  
Don't be afraid to fall  
We're on the side of angels  
On the side of angels  
We're on the side of angels, after all
