

# Please Remember

LeAnn Rimes

Time, sometimes the time just slips away  
And your left with yesterday  
Left with the memories  
I, I'll always think of you and smile  
And be happy for the time  
I had you with me  
Though we go our separate ways  
I won't forget so don't forget  
The memories we made

Please remember, please remember  
I was there for you  
And you were there for me  
Please remember, our time together  
The time was yours and mine  
And we were wild and free  
Please remember, please remember me

Goodbye, there's just no sadder word to say  
And it's sad to walk away  
With just the memories  
Who's to know what might have been  
We'll leave behind a life and time  
We'll never know again

Please remember, please remember  
I was there for you  
And you were there for me  
And remember, please remember me

Please remember, please remember  
I was there for you  
And you were there for me  
Please remember, our time together  
The time was yours and mine  
And we were wild and free  
And remember, please remember me

And how we laugh and how we smile  
And how this world was yours and mine  
And how no dream was out of reach  
I stood by you, you stood by me  
We took each day and made it shine  
We wrote our names across the sky  
We ride so fast, we ride so free  
And I had you and you had me

Please remember, Please remember
