

## Put A Little Holiday In Your Heart

LeAnn Rimes

Feel the cold wind blowing-winter's coming on  
'Tis the season, so they say  
If you need help believing 'cause your spirit ain't too strong  
Hold my hand -- we'll push that cloud away

Put a little holiday in your heart  
It'll put a little shuffle in your step  
Give you a song that you can sing  
With a melody you can't forget  
And if you wanna join in a little harmony  
To keep the world from tearin' apart  
Well you know where to look  
Yeah -- you gotta put a little holiday in your heart

There's a man on the corner who doesn't have a name  
People pass and turn their heads away  
But to share a simple kindness would set there heart aflame  
And you'll get more than you'll ever give away.  
Put a little holiday in your heart  
It'll put a little shuffle in your step  
Give you a song that you can sing  
With a melody you can't forget  
And if you wanna join in a little harmony  
To keep the world from tearin' apart  
Well you know where to look  
Yeah -- you gotta put a little holiday in your heart

It starts with you, it starts with me  
This ain't no stranger, he's family and it don't matter if we a  
gree  
It all comes down to love

Put a little holiday in your heart  
It'll put a little shuffle in your step  
Give you a song that you can sing  
With a melody you can't forget  
And if you wanna join in a little harmony  
To keep the world from tearin' apart  
Well you know where to look  
Yeah -- you gotta put a little holiday in your heart
