

She's Got You

LeAnn Rimes

I've got your picture that you gave to me
And it's signed "with love," just like it used to be
The only thing different, the only thing new
I've got your picture, she's got you
I've got the records that we used to share
And they still sound the same as when you were here
The only thing different, the only thing new
I've got the records, she's got you.
I've got your memory, or, has it got me
I really don't know but I know
It won't let me be

I've got your class ring that proved you cared
And it still looks that same as when you gave it dear
The only thing different, the only thing new
I've got these little things, she's got you.
I've got your memory, or, has it got me
I really don't know but I know
It won't let me be

I've got your class ring that proved you cared
And it still looks that same as when you gave it dear
The only thing different, the only thing new
I've got these little things, she's got you.
