

# Wasted Days and Wasted Nights

LeAnn Rimes

Wasted days and wasted nights  
I have left for you behind  
For you don't belong to me  
You belong to someone else

Why should I keep loving you  
When I know that you're not true?  
And why should I call your name  
When you're to blame  
For making me blue?

Don't you remember the days  
That you went away and left me  
I was so lonely  
I prayed for only you, my love

Why should I keep loving you  
When I know that you're not true?  
And why should I call your name  
When you're to blame  
For making me blue?

Don't you remember the days  
That you went away and left me  
I'm so lonely  
I prayed for only you, my love

Why should I keep loving you  
When I know that you're not true?  
And why should I call your name  
When you're to blame  
For making me blue?
