

Alright Jack

Leatherface

We adhere to Alright Jack To the rich and the thin and the mean
ingless ideas
And there on your back is Alright Jack
He doesn't care about warfare, he must be safe
We adhere to the idea of Mr. Sincere,
And we adhere to all he holds dear, but all the things that he
holds he owns
We reason why? It's Mr. Jones again and again that will always
win
For if we adhere to Alright Jack that patriotic smile will win
by miles.
