

Heart Is Home

Leatherface

My heart is home my heart is
My head is done my head is done
We're going home we're going
I'm not alone I'm not alone
My heart is home my heart is
My heart is home my heart is home
My heart is my heart is my heart is home
I sail along I sail
I don't need a phone I don't
I feel so strong I feel
My heart is home my heart is
My heart is my heart is home
My heart is my heart is my heart is home
My heart is home my heart is home
Those simple songs oh so simple songs
I move along
My heart is my heart is
My heart is home my heart is
My heart is my heart is my heart is home
Heart heart is home my heart is home heart
