

I don't know what you're talkin about I look but I can't see  
Never ceases to amaze this is what you want to be  
And in New York State they dance and date  
There's killing and then there's rape  
Washington DC there's music and conspiracy  
Take a long look around what do you see  
Things are much the same as they've always been  
And I don't know what I've been fighting for just give me more  
When I don't know what I've been fighting for nothing happens a  
nymore  
I don't know what I've been fighting for just give me more  
Well I don't want to be anything like that  
He's an American dream independent since July Seventeen somethi  
ng  
He won't walk away from anything he is your hero  
Skateboards and Bermuda shorts well he won't walk away  
Won't drink he won't smoke he is in control  
And in New York State there's killing and there's rape  
And you want all of this  
I don't know what you're talking about I look but I can't see  
It never ceases to amaze what you they're want to be  
Well I don't know what I've been fighting for give me more  
And I don't know what I've been fighting for nothing happens an  
ymore  
Well I don't know what I've been fighting for just give me more  
And I don't want to be anything like that
