

Leviathan

Leathermouth

I told people can't hold your mouth,
Now they're talking shit,
i'm no 5 years old
My head is always spinning around
... sick
2.
Who's the killer, who's the killer,
Oh, oh, oh,
Who's the killer, who's the killer,
Oh, oh, oh,
Who's the killer, who's the killer,
Oh, oh, oh
I can't breathe with the radio on
There's no fucking God
[powtorzenie 1 zwrotki]
... with faces when I sleep
there's a power and i need more time
to get it accross you
i will fuck you the same
[powtorzenie 2 zwrotki]
there's so much blood and i feel nothing
there's so much blood
Leviathan, Leviathan...
