

Dr. Wicked (Rx O.D.)

Leatherwolf

Can you stop the hands of time, Dr. Wicked
Are you licensed to take my life, Dr. Wicked
Is it mercy unjustified, Dr. Wicked
Playing God or just sick in the mind, Dr. Wicked

Hallucinations of a rabid pack of dogs
The fear they hunt is the time you lean on
The leash you clutch release the raven spawn
Ripping away to the bones that eat you

No guilty conscience waiting for me
Sign up, sign off we all wish you well
Take you to Heaven leave you in Hell

Doctor, Dr. Wicked!
Doctor, Dr. Wicked!

Circled by vultures laughing in the frozen sun
Haunted by voices the darkness creeps in
Fang of the serpent let the venom morphine run
Drown in an ocean of scorching demons

Sign up, sign off prescription O.D.
No guilty conscience waiting for me
Blood and revenge tied to your fate
Torn from the heart we are all to forsake
