Leaves' Eyes

A Winter's Poem

One million crystals on the outside of my window
One single thought, a thought of missing you
But only one word from within me
Describes the thought without of you
Ice feathers on my window
Reveal a single thought
A painting of your eyes
Is a sign that you do know
One million crystals
Not enough to page your beauty
Beauty of your soul
300 days I counted
Almost a year,
A mere of missing you
Ice feathers on my window
Reveal a single thought
A painting of your eyes
Is a sign that you do know
Once again waters change
Winter spell comes to life again
Ice feathers on my window
Reveal a single thought
A painting of your eyes
Is a sign that you do know
Ice crystals on my window
Hide frozen life inside
Ice storm outside these walls
But I feel my heart is warm
