

Frøya's Theme

Leaves' Eyes

Frøya
Blue her eyes
Gold of hair
A maiden so fair
Her skin so pure
Splendid and slim
Goddess of love
Brightened and white
Goddess of love
Brightened and white
Eigandi valfalls
Home of the slain
Eigandi valfalls
Home of the slain
Valfrøya
Gave her heart to the Sun
To the Sun
Wandering eyes...of a man
Leaving her...beauty counts
A journey of...no return
To the ends...of the worlds
Tears running across her face
Turning oh so pale
Red tear-drops striking the earth
Like stones of gold
Lost in despair
I'm drowning in sorrow
She cast a shadow upon the earth
Showing no fear
Never ending fire
She will haunt across the worlds
Frøya
Sore her eyes
Of golden tears
A heart so torn
Aching to find...her Sun
Leaving her...tears behind
A journey of...the heart
To the ends...of the worlds
Tears running across her face
Turning bright like pearls
There she found him under a tree
They rose as one
Like the Phoenix
Out of the ashes
She cast a shadow upon the earth
Endlessly waiting
His Goddess appeared
They rose as one into her halls
