

## Return to Life

Leaves' Eyes

Return To Life  
Inside I feel life (aaah...)  
I rise into your light (aaah...)  
I rise and leave the dream behind  
I'm returning to life  
Returning to life (ooh...)  
By the sound of your voice  
And the love that you give  
I see - I have found  
How deep my roots have grown  
I rise and leave the dream behind  
Your arms open  
I'm devoted  
In sunshine and shadow  
You love and protect me  
I'm returning to life  
I am back in your arms  
Mother you give me hope  
When I'm cold and alone
