Return To Life Inside I feel life (aaah...) I rise into your light (aaah...) I rise and leave the dream behind I'm returning to life Returning to life (ooh...) By the sound of your voice And the love that you give I see - I have found How deep my roots have grown I rise and leave the dream behind Your arms open I'm devoted In sunshine and shadow You love and protect me I'm returning to life I am back in your arms Mother you give me hope When I'm cold and alone
