

# If I Die Tonight

Lecrae

If I die tonight, I gon' know that I  
Gave this with my everything  
If I die tonight  
If I die tonight, you ain't gotta cry  
Cause I know that Heaven waits  
If I die tonight  
Only if I die tonight  
Only if I die tonight  
If I die tonight

If I die tonight  
I pray to God that my time is right  
And even though folks say time is money  
You can't earn no more time tonight  
And tell my girl, "Don't cry for me"  
Cause I'm right here beside the King  
And tell my boys, "Don't ride for me"  
And stay unashamed to they flatline  
Could of spent my time on that back nine  
Smoking on the Cuban, sipping red wine  
I could of hit the streets and done fed time  
But my life ain't mine, it's His time  
So  
I ain't tryna waste my minutes  
I don't even know my limits  
But I gon' get it  
Tell my kids I did what I could  
And I love them dearly  
Tell my sisters, "Love and don't give up"  
Tell my bros I meant to get with them  
And the truth I claim I take to my grave  
And my faith is real, I'm no quitter  
Just no hash tagging on Twitter  
This that real life, so go live it  
If I die tonight, they gon' close my casket  
But I promise y'all I'm gon' get up

If I die tonight, I gon' know that I  
Gave this with my everything  
If I die tonight  
If I die tonight, you ain't gotta cry  
Cause I know that Heaven waits  
If I die tonight  
Only if I die tonight  
Only if I die tonight  
If I die tonight

I'm about to be with my loved ones that I lost  
And my life ain't never been perfect  
But I have perfect faith in that Cross  
So tell all the haters, "Your loss"  
But I still love you, no fault  
In this chess game, ain't no threat, man  
Cause my King ain't never been caught  
Tell my queen to pawn all my thoughts  
Sell those songs the people ain't got  
All these folks who with us for the last ten

And look at us, now we can't stop  
Sometimes, the first one to lead  
Is the first one to make big mistakes  
And the first one to be criticized  
And the first one to feel hate  
But I swear the moves that I made  
I was trying to work on my faith  
I've been wrong before  
But where I'm 'bout to go  
They won't put it all in my face  
I just dared to do what they scared to do  
And if I die tonight, just know  
I made me an heir or two

If I die tonight, I gon' know that I  
Gave this with my everything  
If I die tonight  
If I die tonight, you ain't gotta cry  
Cause I know that Heaven waits  
If I die tonight  
Only if I die tonight  
Only if I die tonight  
If I die tonight
