

# Lord Have Mercy

Lecrae

Lord have mercy and pity on your son  
From what I once was to what I have become  
Lord have mercy (2x)  
Lord have mercy and pity on your son

Dark Past full of evil endeavors  
Heart clean never black and ugly as ever  
However I seen my family die from them rocks  
Them beams on blocks including my own pops  
Homie I seen two much to drink them two cups  
Can't lean on the lean already way too screwed up  
Was way to gone I was way to cold  
Fifty yard hail mary I was way to thrown  
I was Tarzan raised by gorillas and the beasts  
High on them trees when I gorilla'd the beast  
Then that truth came hit me got me outta my grave  
All my partners say I'm changed  
How am I go'n stay the same huh?!

Lord have mercy and pity on your son  
From what I once was to what I have become  
(2x)  
Lord have mercy (4x)  
Lord have mercy and pity on your son

Killer tryna murder it chasing ladies down for fun  
Saying come with me hail mary but then kill the son  
However I seen them boys mane take that bar and wait for God's sake  
Beastie boy he still took three the hard way  
Toss me out heart away crucifix no jewelry  
Just wooden beams he took from me  
Took 'em up to Calvary while I was a DGK  
Willing out to UGK runnin from the HPD  
Huffin puffin mary jane no grip chains mane  
I was looking for a super freak  
Nasty cameo candy super sweet  
But now your boy turnt up free from all them chains  
Ya volume on ten you can call it unashamed

Lord have mercy and pity on your son  
From what I once was to what I have become  
(2x)  
Lord have mercy (4x)  
Lord have mercy and pity on your son

Now I'm turnt up daily I'm on my one-eighty  
They thought I'd water down I'm like boy y'all crazy  
On my J.O. my Oj Mayo I'm on my Grizzly  
Jesus turned me around me so fast that you would swear I was dizzy  
Now they askin who is he now they wonderin my name  
I run in my own lane screaming Jesus is King  
Til my heart stop pumpin no more blood in my veins  
Watch me turn up everyday homeboy I'm so unashamed

Turnt up boy turnt up boy  
Turnt up boy turnt up  
(3x)

Lord have mercy and pity on your son  
From what I once was to what I have become
