## In the Evening

**Led Zeppelin** 

In the evening, When the day is done I'm looking for a woman, but the girl don't come So don't let her, Play you for a fool She don't show no pity baby, she don't make no rules

Oh, oh, I need your love, I need your love Oh, I need your love, I just got to have

So don't you let her, Oh, get under your skin It's only bad luck and trouble, From the day that you begin I hear you crying in the darkness, Don't ask nobody's help Ain't no pockets full of mercy baby, Cause you can only blame y ourself

Oh, oh, I need your love, I need your love Oh, I need your love, I just got to have

Oh it's simple, All the pain that you go through You can turn away from fortune, fortune, Cause that's all that' s left to you It's lonely at the bottom, Man, it's dizzy at the top But if you're standing in the middle, Ain't no way you're gonna stop

Oh, oh, I need your love, I need your love Oh, I need your love, I just got to have

Oh whatever that your days may bring No use hiding in a corner, Cause that won't change a thing If you're dancing in the doldrums, One day soon, it's got to st op, it's got to stop When you're the master of the offchance, When you don't expect a lot

Oh, oh, I need your love, I need your love Oh, I need your love, I just got to have
