I received a message from my brother across the water He sat laughin' as he wrote the end's in sight So I said goodbye to all my friends And packed my hopes inside a matchbox 'Cause I know it's time to fly

Come on, meet me in the morning, Meet me in the middle of the n ight

The morning light is comin', don't it make you wanna go and fee l alright

I just jumped a train that never stops,
So now somehow I'll know I never finished payin' for my ride
Just n' someone pushed a gun into my hand
Tell me I'm the type of man to fight the fight that I'll requir

Come on, meet me in the morning, Meet me in the middle of the n ight

The morning light is comin', don't it make you wanna go and fee l alright

Oh, mama, well I think it's time I'm leavin'
Nothin' here to make me stay
Whoa, mama, well it must be time I'm goin'
They're knockin' down them doors
They're tryin' to take me away

Please Mr. Brakeman, won't you ring your bell. And ring loud an d clear

Please Mr. Fireman, won't you ring your bell Tell the people they got to fly away from here

I once saw a picture of a lady with a baby
Southern lady, had a very, very special smile
We are in the middle of a change in destination
When the train stops, all together we will smile
Oh, meet me in the morning. Won't you meet me in the middle of
the night, night, night
Everybody know the mornin' time is comin'
Don't it make you wanna feel alright. Ah, ah, yeah
Make me feel alright. Fly now, baby
Get to fly, yeah. Fly now, baby
