Led Zeppelin

Baby, when you walk that sweet walk Oh, you walk it good, yes you walk it good Baby, when you talk that sweet talk Oh, it sounds so good, oh so good

With a little bit of concentration And a little bit of helpin' hands, yeah And a little bit of raving madness You know it makes me feel, baby Both my feet are back on the ground

And when the rhythm takes me
It feels so good, oh so good
Baby if it keeps a-shaking
It will do you good, oh so much good

With a little bit of stop-a-shakin' shakin' And a little bit of ?fly right down? And a little bit of Sweet Co-Connie It makes me feel, makes me feel I got my feet on the ground

Ooh now baby, when you move it makes me Really feel so good, oh so good And I'm so glad, so glad, so glad, so glad And I'm good, oh, so good With a little bit of concentration And a little bit of helping hand And a little bit of ?saving madness? You know it makes me feel, baby I'm back on the ground oh yes, sure does It makes me feel back on the ground.

I'm feelin' good child! Down on the ground. Sha la la la...
