

## Ten Years Gone

Led Zeppelin

Then as it was, then again it will be  
An' though the course may change sometimes  
Rivers always reach the sea  
Blind stars of fortune, each have several rays  
On the wings of maybe, down in birds of prey  
Kind of makes me feel sometimes, didn't have to grow  
But as the eagle leaves the nest, it's got so far to go

Changes fill my time, baby, that's alright with me  
In the midst I think of you, and how it used to be

Did you ever really need somebody, And really need 'em bad  
Did you ever really want somebody, The best love you ever had  
Do you ever remember me, baby, did it feel so good  
'Cause it was just the first time, And you knew you would

Through the eyes an' I sparkle, Senses growing keen  
Taste your love along the way, See your feathers preen  
Kind of makes me feel sometimes, Didn't have to grow  
We are eagles of one nest, The nest is in our soul

Vixen in my dreams, with great surprise to me  
Never thought I'd see your face the way it used to be  
Oh darlin', oh darlin'

I'm never gonna leave you. I never gonna leave  
Holdin' on, ten years gone  
Ten years gone, holdin' on, ten years gone
