## **Be There For Christmas**

im gonna be there for christmas right next to you on christmas im gonna be there for christmas just me and you on christmas and im never gonna let you go

Been thinking all day what im gonna do its almost christmas gotta get home to you my baby waiting and i cant be late and when i get there we gon celebrate

christmas only comes one time a year im gonna spend that time with you my dear i can't wait to whisper i love you so underneath the mistletoe

im gonna be there for christmas right next to you on christmas im gonna be there for christmas just me and you on christmas and im never gonna let you go

I got a present that you can't put under a tree and little does he know that present is me chocolate kisses and a bottle of wine cause that man i got is mine all mine

christmas only comes one time a year im gonna spend that time with you my dear i cant wait to whisper i love you so underneath the mistletoe

im gonna be there for christmas right next to you on christmas im gonna be there for christmas just me and you on christmas and im never gonna let you go

christmas only comes one time of a year im gonna spend that time with you my dear i can't wait to whisper i love you so underneath the mistletoe

course im gonna be there for christmas right next to you on christmas im gonna be there for christmas just me and you on christmas

and im never gonna let you go oo
