

# Goin' Thru Changes

Ledisi

Ooohhh yyeaaaah aaww baby yeeaaa

I wish that I could stay, but staying here confuses me more

So I'll go cause there someone else who cares for me like you do

You are my friend and I don't wanna cross the line It's so easy to make you mine

I keep you pushing you away cause you give me what I miss at home

I'm goin' thru changes and how do I let you go... (let you go)

My mind is goin' thru changes... (going thru some changes) yea yea

And I can't let you go

Please don't touch me there temptation wants to rule me

I can't do what my body is calling out for I'm so confused

You know what I like and you wanna give me all of you

And I think about it too but I keep goin' thru these changes

Cause there's so much that I miss at home

I'm goin' thru changes how do I let you go... (I gotta get it together)

My mind is goin' thru changes And I can't let you

Aaaaaa I know what you want, I know what you want

Everything about us will change... gonna change

Everything I feel says here with you... I wanna stay here with you

I don't really know what to do... I don't know what to do

I can't get nothing at home... nothing

Every time I think about it I'm so confused... so confused

I'm goin' thru some changes...

I'm goin' thru changes how do I let you go

My mind is goin' thru changes (some changes) And I can't let you

[x2:]

I'm goin' thru changes (don't know what to do... don't know) how do I let you go

My mind is goin' thru changes (goin' thru some changes) And I can't let you

I'm goin' thru changes...
