

# Hate That You Love Me

Ledisi

Ohhhh, oh  
Come here, let me talk to you  
One call, two calls, three calls  
Is that what I do to you? (Is that what I do to you?)  
Ya outside my door, scared to be alone  
I know you're addicted too

I know it's hard to understand (hard to understand)  
Sometimes a woman wanna act like a man  
And when it feels like I'm running things  
I know you bout to lose ya mind

I know you hate me  
(aye, but sometimes that's just the way love is sometimes)  
Don't you hate that you love me?  
And I know that you know that I love ya  
Even though you don't believe me, baby (aye)  
I know you hate me cause you can't stop lovin' me  
(Yeaaa)

Ya walkin' out sayin' that ya had enough  
But ya never gonna leave (gonna leave)  
I choose to ya anyway  
But baby won't you let me breathe  
You always thinking there's someone else (be like that then)  
Let me be real with ya  
The only one I'm seeing is myself  
You knew what it was when I met ya  
But that's just how it is lovin' me

I know you hate me  
Sometimes that's just the way life is  
Don't you hate that you love me?  
I know you want more  
But I can only give what I have  
I know you hate me cause you can't stop lovin' me  
Hey, hey, hey

Yeaaa baby  
You know I love you but I can't give you the world  
Baby, yeah, yeah, yeah  
I know you hate the way I love you  
But you know I love you  
Sometimes love will drive you crazy  
But you still gonna be my baby, my baby, my baby

I know you hate me  
I know it feels like, I know it feels like  
I don't want ya, but I do  
Don't you hate that you love me  
I just need some space sometimes, yes sometimes  
I know you hate me cause you can't stop lovin' me
