

I Gotta Get To You

Ledisi

There is distance between us
Making me feel like
I'm about to take a bus, plane, train or bike
Just so I can have you right by my side
Even if it's only for one night (ohh)

I can't help it
I'm enamored by you
I can't wait to explore
Your touch, your kiss, where's the door
Gotta find a way to you

I gotta get to you
I'm gon' get there right away
I can't wait to see you again (yeah)
I gotta get to you
When I see you I'm not letting go
Never gonna leave you again (no)
I gotta get to you
Everything that's in the way
Still nothings gonna change
Nothings gonna keep me from you
I gotta get to you (you)
I gotta get to you (you)
I gotta get to you
I gotta get to you

This is too much to handle
And I can't breathe right
Keep looking at my watching getting so uptight
I just want to get there, lookin' in your eyes
Even if it's only for a night (oh)
I can't imagine, what we're about to feel
Everything in my body tells me this is real
You lips, your hands, almost there
Gotta find a way to you

I gotta get to you
I'm gon' get there right away
I can't wait to see you again (yeah)
I gotta get to you
When I see you I'm not letting go
Never gonna leave you again (no)
I gotta get to you
Everything that's in the way
Still nothings gonna change
Nothings gonna keep me from you
I gotta get to you (you)
I gotta get to you (you)
I gotta get to you
I gotta get to you

You're all I want (I want)
And I can't wait to get to you (oh)
Can't wait
Gotta find a way

I gotta get to you
I'm gon' get there right away
And I can't wait to see you again
I gotta get to you
When you see me, I'm not letting go,
Never, ever, no
I gotta get to you
Everything that's in the way
Still nothings gonna change
Nothings gonna keep me from you
I gotta get to you (you)
I gotta get to you (you)
I gotta get to you
I gotta get to you
