

# Think Of You

Ledisi

As the world turns  
And the moon fades  
And the sun begins to shine  
Like the flowers  
And the trees grow  
You're always on my mind

I can't help but feel you all around me, even in my darkest hours (Yeah)  
You bring peace of mind, You bring joy to my soul (Yeah)

Everywhere that I go  
Everyday, everynight  
I think of you (Yeah I think of you)  
You're the air that I breathe  
You're the love of my life  
I think of you (Yeah, I think of you)

Every second, every hour  
Till time runs outta time (Oooh)  
Like a river to a waterfall  
I need you in my life

I can't help but feel you all around, feel you everywhere  
You bring me peace of mind, you bring joy to my soul

Everywhere that I go  
Everyday, everynight  
I think fo you (I think of you, I think of you)  
You're the air that I breathe  
You're the love of my life  
I think of you (Oh I think of you)

Oh ooooh  
I think of you  
Ooh... Yeah yeah yeah  
Oh Ooooh  
Thinking about you  
Ooooh...  
You mean the world to me (oh oh oh)  
You're my everything (oh oh oh)  
(I've been thinking of you) I've been thinking of you  
Oh yeah  
I've been thinking of you

Everywhere that I go  
Everyday, everynight  
I think of you (I think of you, I think of you)  
You're the air that I breathe (You're my air)  
You're the love of my life  
I think of you

I can't do without you  
I can't live without you  
I can't love without you  
Can't love...  
Can't be there without you  
You are my everything, my everything, my everything.

Everywhere that I go  
Everyday, everynight  
I think of you (I think of you, I think of you)  
You're the air that I breathe  
You're the love of my life  
I think of you
