

# Baby Go Round

Lee Aaron

She could be young an' foolish  
She could be old an' wise  
But love is dangerous.  
When the heart is blind  
Became a girl of eighteen  
Goin' on forty-five...

The man'd get fired up  
An' then he' strike her down  
An' baby shut her mouth now  
Nobody hear the sound  
Still got her pride made up her mind  
No turnin' around...

The only sound he'll hear tonight  
Her footsteps out the door

Baby go round an' round an' round  
Pick up the pieces when it all comes down  
Life gets better than it is right now  
Baby go round  
Hush little baby  
She don't cry  
Come here alone and alone you die  
A heart can break but love survives  
Baby go round an' round an' round an' round

She got a brand new feelin'  
Put on a brand new face  
An' sorry has no meanin'  
In 'er bran' new place  
There's a time for forgiveness  
And a time when it's too late  
It's much too late

The only sound she'll hear tonight  
His knockin' at her door

Baby go round an' round an' round  
Pick up the pieces when it all comes down  
Life gets better than it is right now  
(Baby go round)

Hush little baby  
She don't cry  
Come here alone and alone you die  
A heart can break but love survives  
(Baby go round)

Baby go round an' round an' round  
Pick up the pieces when it all comes down  
Life gets better than it is right now  
(Baby go round), an' round an' round an' round

She wants, what she. wants

Baby go round an' round an' round

Pick up the pieces when it all comes down  
Life gets better than it is right now  
(Baby go round)  
Hush little baby  
She don't cry  
Come here alone and alone you die  
A heart can break but love survives  
(Baby go round), an' round an' round an' round  
An' round an' round an' round

(Baby go round)  
She wants what she wants  
(Baby go round)  
Aw pick up, pick up the pieces  
Oh, pick up the pieces
